Specification

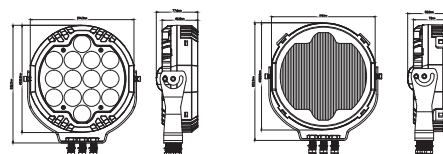

• Spot Beam:

Vertical Dimension(M)	Diameter(M)
5	0.65
10	1.2

• Line Beam:

Installation Height (M)	Length (M)	Width (M)
5	4.2	0.65
10	9.6	1.2
15	15	1.5

- Wattage: 140W RED (14PCS*10W CREE LED)
- Lumens: 14000LM
- Dimensions of light: 194.3*77.6*220.3MM
- Lifetime of LED: 50000 Hours
- ISO, CE, RoHS certified
- Water proof dust proof IP rating: IP67

Accessory

**AC/DC power supply
to power 1 light**

Output: 24V DC/150W
Input: 100-305V AC
